AND RELATED CLAIMS,  
COUNTERCLAIMS, AND  
CROSSCLAIMS.

O R D E R

This matter is before the court on the unopposed motion for the court to limit the upcoming bench trial [Doc. No. 569] and the corrected motion for the court to limit the upcoming bench trial [Doc. No. 570], both filed on May 27, 2010. The plaintiff appears to have corrected the second motion to reflect that it is not unopposed. The court notes that no responsive briefs in opposition have been filed to these motions and seeks clarification from the parties. The plaintiff and Gemstar are ORDERED to provide a status update to the court within 14 days of the docketing of this order, indicating whether the motion to limit the upcoming bench trial [Doc. No. 570] is opposed or unopposed. If Gemstar wishes to file a brief in opposition, the court ORDERS Gemstar to do so along with

the status update.

SO ORDERED, this 14 day of June, 2010.
